Dear Mr. Larson:

This letter acknowledges receipt of and responds to your Freedom of Information Act (FOIA) request dated 11/30/2018 and received in the Pipeline and Hazardous Materials Safety Administration's (PHMSA's) FOIA Office on the same date. You requested records released in response to PHMSA FOIA control number 2017-0091.

We have assigned your request with control number **2019-0056**. Please identify all communications concerning your request with this control number.

After conducting a search of the FOIA file, we found that the following response satisfied FOIA control number 2017-0091:

*Please be advised that PHMSA's Office of Pipeline Safety (OPS) makes pipeline operator information available at <https://primis.phmsa.dot.gov/comm/reports/operator/Operatorlist.html>. In addition, PHMSA makes available the raw data for annual reporting and incident/accident reporting at [<https://www.phmsa.dot.gov/data-and-statistics/pipeline/source-data>]. Furthermore, PHMSA makes Pipeline Failure Investigation Reports accessible to the public at [<https://www.phmsa.dot.gov/safety-reports/pipeline-failure-investigation-reports>].*

Because the fee for processing your request falls below the minimum amount the Department of Transportation charges for processing FOIA requests, we processed your request at no charge to you. See Department of Transportation FOIA Regulations, 49 C.F.R. § 7.43(a)(1).

This concludes our response to your request. If you have any questions about your request, you may contact Madeline Van Nostrand, FOIA Officer, by phone at 202-366-0273 or by email to

PHMSA.FOIA@dot.gov. You also may seek the services of our FOIA Public Liaison, Gordon Delcambre, Office of Governmental, International and Public Affairs, by phone at 202-366-4831 or by email to phmsapublicaffairs@dot.gov.

Sincerely,

MADELINE M VAN NOSTRAND
